

2010 Maine TU Trout Camp Guidelines for Volunteers

Thank you for volunteering to help with Maine's TU Trout Camp!
We have planned a great week of activities for the students, and with your help, this will be a week filled with great experiences.

One of our guiding principles is to make sure *everyone* has fun!
Your primary goal as a volunteer is to implement that goal: *make sure everyone is having fun!* Naturally, we have to cover the bases, making sure we dot the i's and cross the t's. Here are a few guidelines to keep in mind as you enjoy your time at camp with the students.

1. If something is off-limits for students it is probably also off-limits to adults. We don't allow the students to use tobacco products, alcohol, or illegal substances. Students can not bring or use firearms. We hold adult volunteers to the same standard.
2. Camp should have a relaxed, friendly atmosphere. As an adult volunteer, we need you to help promote the kind of respectful, courteous behavior you would find in a great school. Any verbal abuse of campers or staff will not be tolerated and the adult volunteer will be dismissed.
3. Safety is the highest priority for students and staff. Be alert to hazards and activities that create unsafe situations, and help avoid problems before they happen.
4. Photos of the camp, staff, and students may not be published without written permission of the Camp Executive Committee.

The camp is run on private property owned by our wonderful hosts at Evergreens Campground, Joe and Lorena Albuit. Please introduce yourself to them during your stay. We want to make sure that you have a great experience volunteering.

So have fun, enjoy yourself, and help us make this a great week for the students.

Thanks!

MTUTC Director Greg Ponte

I understand and agree to follow these guidelines and directives of the MTUTC Director or designate.
